Bishop's Stortford College Recital Series

“We are delighted to be partnering with Hanbury Wealth to bring some wonderful musicians to Bishop's Stortford. The Hanbury Wealth Recital Series is designed, not just to inspire our pupils but to bring joy and an incredible breadth of musical talent to the community for everyone to share. The Recital are open to the entire community and very reasonably priced and we hope they will become increasingly popular as awareness of them grows.”
