Bishop's Stortford Rugby Football Club
Fireworks 2018

We are pleased announce that the 2018 edition of our annual fireworks display will be sponsored by Hanbury Wealth.

Hanbury Wealth is a firm of independent financial advisers based in Hockerill Street, Bishop's Stortford

Perry Oliver, Club President & Chairman of the Fireworks organising committee says, "We would like to thank Hanbury Wealth for their generous support of our display. We pride ourselves in being a community focussed club and whilst our Fireworks display is an important fundraising event, it is also an opportunity for us to contribute something to the town beyond the confines of sport.

Constructing a display worthy of the several thousand spectators that visit each year, does though mean we incur some significant costs and unfortunately the vagaries of the

weather mean that there is an inherent risk that they won't all be recovered. The support that Hanbury Wealth bring means that that risk is significantly lowered.

We clearly share similar values in terms of our wider social responsibility. Hanbury Wealth's backing of our display is another example of their commitment towards local causes that enrich the area within which they operate and in doing so contribute to the benefit of their community.

We look forward to once again delivering a memorable family event that is a credit to both our organisations and the town."
